A warehouse as organized and hardworking as S.A. should never be overlooked. They have a professional staff that always provides great customer service". *Stacia Donaldson, Operations Manager at Evisu*
- ▶ "Selco was strongly recommended by our freight forwarder and I can understand why. Tony and his people were fast, accurate and professional. Communication was easy and consistent and the hands on coordination provided by Tony just made the process that much smoother". *Paul DeFilippo, CFO at The Aron Group*
- ▶ "I cannot count how many times Selco has gone "above and beyond" in the service provided. You have provided services that we did not expect (but greatly appreciated). The staff has always been polite, anxious to help and exacting in the service they give us. We were both start ups when we met and with your outstanding assistance we have managed to survive through the hard economy. We think of you as an important part of the company. Don't know what we would do without you". *Jerome H. Mann, COO at Yumi & Laurie, Inc*
- ▶ "The gentleman whom produced my shopping bags referred us to Anthony Ventrone. Clearly his reputation with many is stellar, as he was the first name out of their mouth. We have experienced exceptional customer service, and timely assistance from SELCO Associates. He is organized, professional and has a pleasant staff. When receiving orders it's as simple as faxing the information and following with a call; all a pleasantry to a new young business owner" *Marisa Davis, Owner at Lily O'Brien's Chocolate Cafe*
